Building Permit Application for Swimming Pools

Instructions to applicant: Complete all applicable information in full. Applicant may be the owner, architect or general contractor. If the applicant is not the owner, the "Owner's Authorization" must be signed by the owner. A permit fee of \$35 must accompany this application. The minimum plans required are:

1. Site plan showing a footprint of the pools location with setback dimensions indicated.

The application will be processed as soon as possible, and your permit will be issued only when all required information has been submitted and reviewed (normally within one week of application). **Work shall not begin until the permit is issued.**

All contractors/subcontractors are required by State law to provide Worker's Compensation and Unemployment Insurance.

All property lines must be located. Swimming Pools must be designated and constructed in accordance with section 3109 of The Kentucky Building Code, a copy of which is available for use at the Mason County Public Library.
