

TIPS TO KEEP OUR CITY CLEAN

GARBAGE & TRASH

- DON'T SET OUT GARBAGE CANS MORE THAN 18 HOURS BEFORE PICK-UP.
- PLACE GARBAGE CANS IN SIDE OR REAR YARD WITHIN 12 HOURS AFTER PICK-UP.
- KEEP ALL GARBAGE IN A SEALED CONTAINER.
- IF YOU HAVE A MAJOR CLEAN UP, YOU CAN CALL THE MASON COUNTY LANDFILL AND ARRANGE FOR A DUMPSTER (606-759-7049)

WEEDS & TALL GRASS

- KEEP GRASS UNDER 8 INCHES. (SNAKES AND RODENTS LOVE TALL GRASS; KEEPING YOUR LAWN TRIMMED HELPS "WEED OUT" THOSE VARMINTS!)
- GET A HEALTHY, VIBRANT YARD BY CUTTING YOUR GRASS WEEKLY AND LEAVING THE CLIPPINGS BEHIND AS A NATURAL FERTILIZER FOR YOUR LAWN.
- DON'T BLOW OR SWEEP GRASS CLIPPINGS INTO THE STREET. (THEY CAN CLOG UP STORM SEWERS AND MAKE SIDEWALKS SLICK).

TREE LIMBS & BRUSH

- TREE LIMBS SMALLER THAN 4 INCHES IN DIAMETER AND BRUSH CUT BY THE PROPERTY OWNER CAN BE SET OUT NEAR THE CURB FOR CITY PICK-UP.
- THE CITY WILL MULCH 15 MINUTES WORTH OF DEBRIS FOR FREE!
